EDUCATION

University

2017 - 2020

Bsc.IT , Mumbai University

EXPERTISE

- React.js: Proficient in developing dynamic and responsive web apps using component-based architecture and state management.
- Next.js: Experienced in building server-rendered apps and static websites with a focus on performance and SEO optimization.
- React Native: Skilled in creating cross-platform mobile apps for iOS and Android with seamless performance. Problem-solving skills
- Logical Problem Solving: Strong analytical skills for identifying and resolving complex issues to optimize performance.

SKILLS

HTML, JavaScript, React.js, React Native, Next.js, Node.js, SQL

PROFILE

Frontend Developer skilled in React.js and React Native, with additional experience in backend development using Node.js and SQL. I specialize in building responsive, user-friendly applications while focusing on performance and clean code. I have developed cross-platform apps with efficient UI/UX, built scalable backend services, handled APIs, and managed server-side logic using Node.js. Additionally, I have designed and optimized SQL database queries for efficient data retrieval and storage, ensuring seamless integration across the stack.

WORK EXPERIENCE

WEB TECH WORKS

Client , Motilal Oswal Financial Services

Feb 2024 - Present

- Developed cross-platform mobile apps using React Native for iOS and Android.
- Optimized performance, integrated APIs, and handled dynamic data.
- Maintained apps by fixing bugs and improving performance.
- Collaborated with design, backend, and QA teams to ensure smooth delivery.
- Assisted in test case creation and validation for new features and fixes.

WOW ROOMS HOSPITALITY PVT. LTD.

Frontend Engineer

July 2022 - January 2024
